

About Chorlton Players...

We are a community theatre group established in 1963. We put on five productions a season, including our pantomime in the New Year and a comedy revue. Our low-ticket prices reflect the fact that we are a not for profit group. We meet and rehearse at The Spread Eagle every Monday and Wednesday evening and we always welcome new members. You don't need any experience and it is not all about the acting. We are always in need of all the other talents it takes to put on productions: backstage, costumes, front of house, set building, audio-visuals, make-up, advertising etc.

A colorful poster for a pantomime. At the top, the 'Chorlton Players' logo is in a stylized black font. Below it, several cartoon bees are flying. The title 'Goldilocks and the 3 Bears' is written in large, bold, yellow and brown letters. Below the title, 'A PANTOMIME' is written in a smaller, bold, black font. The central illustration shows a log cabin with a chimney, a beehive on the roof, and three bears (two adults and one cub) standing in front of it. To the right of the bears are three pots of porridge. The background is a light green forest scene. At the bottom, the performance dates and times are listed: '16th, 17th, 18th January 2020 at 7.30pm plus a 2pm matinee on 18th January'. Below that, the venue is listed: 'St Werburgh's Hall, St Werburgh's Road, Chorlton-cum-Hardy, Manchester, M21 0TL'. The ticket prices are 'Tickets - Adults £7 | Concessions £4'. The website 'www.chorltonplayers.com' is listed below the ticket prices. At the very bottom, in a small font, it says 'A Pantomime by Damian Trasler, David Lovesy & Steve Clark, by arrangement with Lazy Bee Scripts'.

Welcome to our annual Pantomime!

This year our production is Goldilocks and the 3 Bears, a tale of a girl, three bears and some porridge... and much more! The traditional Goldilocks story is given a new slant in this pantomime tale. An evil queen bee is up to no good in the woodland, planning global domination for her wicked swarm and now she has a secret weapon... a potent hypno-honey. Soon a battle is underway for control of the wood with Goldilocks and her friends in the thick of it.

Our cast and crew have been working hard to put on an entertaining show, beginning rehearsals back in October. We do hope you enjoy our show.

Thank you for coming and Enjoy!

Here are a few Bee Facts

Bees are essential to a healthy environment and healthy economy. We rely on them and other insects to pollinate most of our fruit and vegetables. However, bees are under threat and without them so is our food and economy. You can make your garden, street and community bee-friendly. Take a look at the following link:
