Chorlton Players Committee Meeting 18th September 2025

Attendees: Paul Bluer, Lolly Chant, Rohan Shenoy, Luis Escorihuela, Steve Lewyckyj, Tony Morgan, Annie Wallace, Tom Baker, Rob Hall

Apologies: n/a

Agenda

1. March Pitch 1 – Annie Wallace "Clue"
2. March Pitch 2 – Charlie Di Santis "Hangmen"
3. Mail server
4. Actions/AOB

March Pitch – Committee heard two very strong pitches and voted to stage Hangmen in the March slot

Mail Server – After issues with the previous server a new mail server has been agreed for use. AW has set up the account and it was used by SL for the October newsletter. The free version should work for our purposes but this will be looked at again if needed

Action Updates: TB has booked the Hallowe'en party (Scaryoke) at the Royal Oak and will sort out access for equipment and put a shout out for helpers.

AW has purchased aerial protectors for the radio mics which will be used during panto

AOB – LE raised that the current process for onboarding new members is clunky and asked if we could issue an invite code so they can access the website. The member's only area needs to remain secure due to copyright concerns with scripts and audition pieces. There was further discussion about how to welcome new members in to the group (open days, cast meals etc). This needs a longer discussion and will be added to the next agenda.

SL queried show sponsor and preparations for The Grinch and agreed to take this one.

Actions – RS to investigate issuing sign-up codes and creating a new member landing page. LE to supply information required. LC to apply for bar licence for The Grinch and Hangmen
