

About Chorlton Players...

We are a non-profit making theatre group established in 1963 so we've been going fifty years now. We are a group of about forty members, and we put on five productions per season. Our two mainstays are our pantomime every New Year, and a comedy review in summer. We meet every Monday and Wednesday evening for rehearsals and are always keen to see new members. Even if you don't fancy acting, we are always in need of all the other talents it takes to put productions on: backstage, costumes, front of house, set-building, audio-visuals, make-up, advertising etc. So, if you are interested in taking any part in our shows, please get in touch.

**This production of "Frankenstein" is presented by special
arrangement with Nick Hern Books**

“THE event on which this fiction is founded has been supposed, by Dr. Darwin, and some of the physiological writers of Germany, as not of impossible occurrence. I shall not be supposed as according the remotest degree of serious faith to such an imagination; yet, in assuming it as the basis of a work of fancy, I have not considered myself as merely weaving a series of supernatural terrors.

Mary Shelley; 1818

The story of Frankenstein has always fascinated and enchanted me.

Every word in this adaptation from Patrick Sandford, is lifted directly from Mary Shelley's novel. It gives me the greatest pleasure to bring to our stage this darkly beautiful and thought provoking tale.

I hope you will take a little piece of it away with you and hold it close to your heart.
