The Director wishes to thank all of the cast and crew who have worked tirelessly to put this on show.

My thanks to everyone who has provided material, and to those who have written it.

My deepest thanks to all who have given such massive amounts of input to the whole show, from ideas to props; transport etc. This show has only been possible thanks to the support of everybody involved.

Special thanks to Angie and all at the Spread Eagle for the loan of bar furniture, props, and the continued use of their premises for rehearsals.

This show is dedicated to the memory of Sidney Laidler  
May 1926 - August 2003  
The greatest storyteller in the world.

The Chorlton Players, on behalf of Sir Arthur Greeb Streebling and his good lady wife, would extend a laurel and hearty welcome to all our patrons. Our friendly pub atmosphere and quality fare should leave you literally gagging.. For more that is!

You'll find our brasserie highly polished and the staff fully housetrained. With a history that's as old as many, many, other old things, The Frog and Peach is the ideal setting for any occasion. Weddings, business lunches, and with the aid of the new paddling pool we now offer a unique birthing facility!

Our delectable menu must be seen to be believed. If you do happen do see it, please inform a member of staff. It crawled away a week ago and we'd really like it back.

During your stay, should anything not be to your liking, please complain. Honestly we are used to dealing with it.

So settle back in the snug, eat, drink and be merry. Just remember, in this place, the customers are not always right..... In the head, that is!

Enjoy!
