Director's Note

Our titular character, The Grinch, seems to be absolutely everywhere this year – as if the universe itself heard we were staging this panto and decided to give us its full, glitter-covered blessing. Om.

This re-imagining of Dr Seuss's beloved tale, created by Limelight Scripts and further adapted by me, is bursting at the seams with mischief, mayhem and magic – all brought spectacularly to life by our interstellar cast and inspirational behind-the-scenes boffs.

A monumental amount of energy and joy has gone into crafting this play, and I hope you can feel it radiating from the stage in spades! All that's left now is for you to abandon all decorum, join in at full volume, and let this pantomime wreak its festive havoc! I sincerely hope you enjoy it...

Midnight Bluer - **Director** *"at large"*

...and if you don't, please send all feedback to: The Grinch, Whoville Mountain Lair, Whoville...I'm sure you'll receive a swift - and entirely appropriate - reply.

The first act runs for approximately 1 hour and 15 mins. The second act runs for approximately 50 mins. There will be one *20-minute interval.*

About Chorlton Players...
We are a community theatre group established in 1963. We aim to put on five productions a season, including our pantomime in the New Year and a comedy revue. Our low-ticket prices reflect the fact that we are a not-for-profit group. We meet and rehearse at The Spread Eagle every Monday and Wednesday evening and we always welcome new members. You don't need any experience and it is not all about the acting. We are always in need of all the other talents it takes to put on productions: backstage, costumes, front of house, set building, audio-visuals, make-up, advertising and beyond.

*A special **thank you** to our rehearsal venue and home of 20 years, **The Spread Eagle Pub,** Chorlton-cum-Hardy.*
