## Coming up next... Terry Pratchett's WYRD SISTERS

Based on the writings of Britain's strangest author, WYRD SISTERS is about to become a whole lot weirder as Chorlton Players bring their own unique rendition to this cult classic.

**12-14th August 2010 - don't miss it!**

## Chorlton Players

The Chorlton Players are a non-profit making theatre group based, oddly enough, in Chorlton-cum-Hardy, Manchester.

Established in 1969, the Society has been running for over forty years. Normally we host between four to five productions a season. Our two mainstays are the annual pantomime and Hotpot summer sketch show, with the others chosen by members of the society. Currently we have around 50 members, ranging from people in their late teens to old-age pensioners, although most of the group are in their early thirties. We meet every Monday and Wednesday for rehearsals in a local pub and are always looking for new members – backstage crew and front-of-house volunteers are just as important as budding actors, so if you have an interest in any part of the process of putting on a show, please get in touch with us.

More details can be found on the web at [www.chorltonplayers.com](http://www.chorltonplayers.com). Alternatively, drop us a line at [enquiries@chorltonplayers.com](mailto:enquiries@chorltonplayers.com) or talk to us after tonight's show.

**It's sexy, exciting, it's happening soon,  
Our spicy new hot-pot, in Chorlton, in June.  
There's chilli and beer and girls dancing and song,  
In a cabaret style, about two hours long.  
So don't stay at home all you miserable wretches,  
Come laugh with the pimp at CP's risqué sketches.**
